

**REMARKS**

Claims 1-20 are pending in this application. By this Amendment, Figs. 1 and 2 and claims 1 and 11 are amended. No new matter is added by these amendments.

Reconsideration of the application based on the above amendments and the following remarks is respectfully requested.

Applicants appreciate the indication of allowable subject matter in claims 1-20.

The Office Action objects to the drawings, and Figs. 1 and 2 are amended to recite "Related Art" consistent with the specification to obviate the objection. Applicants respectfully request withdrawal of the objection.

The Office Action rejects claims 1-20 under 35 U.S.C. §112, second paragraph. Claims 1 and 11 are amended to replace "parallel" with "concentric" to describe the relationship between the inner wall of the cowl and the central axis, as suggested in the Office Action. Applicants respectfully request withdrawal of the rejection.

In view of the foregoing, it is respectfully submitted that this application is in condition for allowance. Favorable reconsideration and prompt allowance are earnestly solicited.

Should the Examiner believe that anything further would be desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact the undersigned at the telephone number set forth below.

Respectfully submitted,
